

Top of the Hill *by Tami Jo Hernandez*

Attention skiers!!!

Now that we're starting to get out of the Covid pandemic everyone is anxious to travel. We have planned five marvelous ski trips this year. We will reveal all the exciting details at the July 7th get together at Rotary Park in Livonia.

This year we are offering online registration for our trips with the exclusion of Telluride. Come join us for the July 7th get together. We will have trip pricing and we will be there to explain our new on-line sign-up process. I will be explaining the differences between the epic pass, the epic local, and the epic day pass as well as group lift ticket pricing.

We need you to sign up early, please do not wait until the last minute. If you wait, the trip price could go up; or even worse you may not get a spot. If you intend to go to Vail, Park City or Breckenridge with the T-birds, note that lift tickets are very expensive this year. For example, a five-day lift ticket at Breckenridge is \$810 but they are offering a 5 day epic day pass for

\$392 while supplies last. These tickets are non-refundable and non-transferable but you can use them at any Vail resort including Mt. Brighton.

Vail, Park City, Telluride and Breckenridge all use the epic pass, so if you intend on going on more than one trip this year it may be wise to purchase an epic pass or epic local (Telluride is not included with the epic local pass). All passes may be purchased through the club. Please talk to your trip leaders. They will help you find the best option for you. If you have not picked a trip yet feel free to give me a call and I will be more than happy to discuss the options with you.

We are offering an incentive for all those who sign up early. Every early participant will be entered into a drawing and the winner will receive a \$100 gift certificate good towards the cost of their trip. We have five \$100 gift certificates; one will be awarded for each trip. Sign up early and you could be the lucky T'Bird rewarded with a \$100 gift certificate.

See you on the slopes!!!
